Seasons greetings,

Halloween is behind us and it's now time to think Christmas. Santa Claus would love to visit with your community this year. His schedule is filling quickly but there are still plenty of openings for you.

To introduce you to our services, we are offering a special weekday discount for a Santa visit at \$100 per hour. Our regular weekday rates are \$175 per hour and weekend rates are \$225 per hour. We will waive any travel charges as well. To take advantage of this offer please book by November 25.

We have a group of experienced, professional Santa Clauses, Mrs. and helpers we can book for your holiday event or to just come visit with your residents, staff and families. From past experience we know that a visit from Santa is a treasured experience for "kids" from 1 to 101.

We can tailor Santa's visit to match your situation, needs, budget and event. He can deliver gifts, chat with the guests, pose for photos, lead a sing along, read a story, do some magic, or entertain in other ways. Some of our Santas offer special skills like playing guitar & singing Christmas & popular songs, storytelling, magic, balloon animals and participatory activities. A few have basic American Sign Language skills and foreign languages. We can even have Mrs. Claus or an elf come along.

Our jolly Santas take their role very seriously. They have attended numerous workshops, schools and classes to learn how to bring holiday magic to everyone. They are comfortable with all ages and types of audience and provide a performance appropriate for a variety of settings. They are members of regional, national and international professional Santa associations.

Santa wears a top quality suit with upgraded accessories like real boots and leather belt, white gloves, bells and other additions. Most have a full, white, real beard; and those that don't wear high quality facsimiles. All our Santas have clear background checks and most carry special performer insurance.

You can see more information, photos and testimonials on our Santa website at www.ImSanta.Org. I've attached a few photos for your reference as well. You can find us on Facebook as well at [ImSanta.Org](https://www.facebook.com/ImSanta.Org).

Feel free to email or call if you have questions or would like to discuss arrangements.
