Season's Greetings,

You probably think you know what Santa's favorite thing is – cookies. True, that is high on the list. But his absolute favorite thing is making public appearances to meet boys and girls.

Santa Claus would like to host a "Visit with Santa" event at your store. He would be on hand to talk with boys and girls, collect Christmas lists, pose for photos, and help promote your company. Santa is always a big draw. It would be an excellent way to attract customers for holiday shopping.

One of the best things about Santa's visit is it can be free to the store. If you allow us to sell photos with Santa to those who want them, that revenue will offset the fee Santa normally gets for a personal appearance. We have the photographer, equipment and capability to take and print photos on site. Everyone can still meet with Santa whether they buy a photo or not.

All we would need from you is an appropriate space for Santa to meet with folks and promotion of the event in advance. We will also help spread the word.

If you prefer to simply hire Santa for an event, the fee for midweek is \$100 for first hour, \$60 for each additional hour. Friday, Saturday and Sunday rates are \$150 for the first hour, \$75 for additional.

Feel free to call (603-582-3166) or email (booking@ImSanta.Org) if you would like more information or to discuss setting up an event. Visit our website www.ImSanta.Org for more information, photographs, and testimonials. We are open to other ideas and arrangements.

Cordially,
